Friends of the Sacramento River Greenway has made some good progress in the past several months. The op-ed piece in the Sacramento Bee, our web page, several good meetings with local leaders and government officials, and leafleting events at the Capitol and for Earth Day have all given us good visibility and have been well received.

Special thanks to Anne Rudin, Dan Gorfain, Ray Schwartz, and Robb Deignan. The Pocket Area closure is beginning to be seen as really ridiculous, and more and more people are supporting immediate opening of the trail.

If you would like to help, we could use the following things:

1. More people to show up on June 21st, see above. Also bring acoustic music, funny bikes, skates, picnic, etc.

2. Letters to Mayor Fargo, Councilman Fong, and Councilman Waters asking for support of the completed Sacramento River Trail. Write them asap at: (Councilmember/Mayor \_\_\_\_\_) City Hall, 915 I St. 95814

3. Other needs: Database management, legal research, and leafleters.
